BROOKLINE MEDICAL RESERVE CORPS

11 Pierce Street, Brookline, MA 02445

WHAT IS THE MEDICAL RESERVE CORPS (MRC)?

Under the direction of the Town of Brookline Department of Public Health, the Brookline Medical Reserve Corps (MRC) will recruit, train, mobilize, and coordinate a community based group of volunteers who can serve during a local emergency health situation and assist with local public health needs throughout the year.

WHO SHOULD JOIN?

- **Public health professionals** including epidemiologists and health educators.
- **Practicing, retired or otherwise employed health professionals** including physicians, nurses, pharmacists, dentists, nursing assistants, veterinarians, respiratory therapists and others.
- **Medical, nursing, public health and other allied health professional students.**
- **Others who are interested in assisting their community** including social workers, interpreters, chaplains, and any others who can provide administrative assistance.

U.S. citizenship is not required to be a MRC volunteer. All legal U.S. residents are encouraged to volunteer.

WHAT CAN YOU EXPECT FROM US?

- **Free Training and Educational Opportunities**
 - CPR/First Aid
 - Incident Command
 - Risk Communication
 - Additional Emergency Preparedness Trainings

**MRC volunteers will receive Continuing Education Units (CEUs) upon completion of the training courses.*

- **Identification cards, so that you will be clearly identified as part of our team.**
 - **Opportunities to network with other Brookline residents.**
-
